

Argument Assignment

For this assignment, you will be writing a 3-page paper (double spaced; more is okay) arguing one side of a controversial issue. This issue must:

- Be reasonably argumentative: This means that a reasonable person could AGREE but could also DISAGREE with your opinion.
- Be reasonably small: This means that you can clearly explain your topic's situation in 3 pages.

You should provide at least three good reasons why your side is correct and back up your opinion with examples and evidence. You should also consider why the other side is NOT true and back up why you think so with examples and evidence.
